### Your homework task:

1. Choose one of the websites above to research available qualifications, jobs and career paths.
2. Find the “Careers” or “Employment” section of the selected website.
3. Using the information on the website find the following:
  - Three different jobs that you can do in this sector
  - One job that you would like to do in this sector
  - The qualifications you may need to get this job
  - Qualifications available to you in this sector
  - What opportunities are there locally for you to do this job?
4. How useful did you find the website? What could be improved?
